Mail Stop Non-Fee Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

**Amendments to the Claims**

1. (Currently amended) A resilient, flexible, non-slip, non-adhesive curl resistant sheet material for covering household surfaces comprising:

a thin, continuous, plastic polyolefin top film, and,

a continuous foam layer of uniform thickness cast on said film, adjacent to said film

5 and adhering to said film.

2. (Original) The sheet material of claim 1 wherein said top film is a film having
